

# Sunnyflo®

## Quality braided layflat hose

**Sunnyflo®** is a braided layflat budget hose, ideal for lighter duty applications in the industrial, irrigation and mining industries. Its textile reinforcement is made of braided polyester yarns and features a PVC cover and inner lining.

### FEATURES

- ✓ Working temperature - 21 °C to 76 °C
- ✓ Standard coil length is 100 m
- ✓ Imported from the USA

**Sunnyflo® Blue** is suitable for low-pressure applications and has a working pressure range from 300 - 600 kPa.

**Sunnyflo® Red** is made with thicker braided polyester yarns and is able to sustain higher working pressures of up to 1000 kPa.

### IDEAL FOR

- Golf course irrigation
- Open-end discharge
- Life-style farming
