

Fire Hose Kit

Be fire ready

12
MONTH
WARRANTY

Crusader Hose knows the importance of having a reliable fire hose to protect rural properties. As a manufacturer and supplier of fire hose to many fire brigades for over 37 years, the Excalibur fire hose in the domestic **Fire Hose Kit** is of the same quality as the commercial fire hose.

All **Fire Hose Kits** come in standard 20 m, 25 m, or 30 m lengths with secure factory-fitted crimped BSP fittings and shut-off nozzle. The coupling connects directly to your fire pump, making it ideal for quick deployment in times of an emergency during and outside fire season.

FEATURES

- ✓ Easy to handle
- ✓ High-pressure capability
- ✓ Complete with couplings & nozzle
- ✓ Percolating hose option
- ✓ No drying required
- ✓ Australian Made

TECHNICAL DATA

Diameter (ID)	25 mm	38 mm
	1"	1.5"
Working pressure	2100 kPa	2100 kPa
Burst pressure	5250 kPa	5250 kPa
Weight/m	0.16 kg	0.23 kg
30 m coil diameter	0.28 m	0.32 m
Part # 20 m percolating	CHK025JPC	CHK038JPC
Part # 25 m percolating	CHK025KPC	CHK038KPC
Part # 30 m percolating	CHK025LPC	CHK038LPC
Part # 20 m non-percolating	CHK025JNP	CHK038JNP
Part # 25 m non-percolating	CHK025KNP	CHK038KNP
Part # 30 m non-percolating	CHK025LNP	CHK038LNP

Crimped coupling & nozzle
