

# Lifting Clamp

## Flexibore® installation accessory

5 Tonne  
Lifting Clamp

### IDEAL FOR

- All Flexibore hose
- Both Crane and Truck & Crane installation methods
- Installation and retrieval

1.2 Tonne  
Lifting Clamp

**Lifting Clamps** are an essential accessory for the safe installation of your submersible pump with Flexibore.

Crane method installations are the most common for larger projects and require two **Lifting Clamps**.

Truck & Crane method installations will need two **Lifting Clamps** and the Flexibore Installation Roller.

Lifting clamp for easy and safe Flexibore installation
