

Percoflex®

Percolating fire hose

12
MONTH
WARRANTY

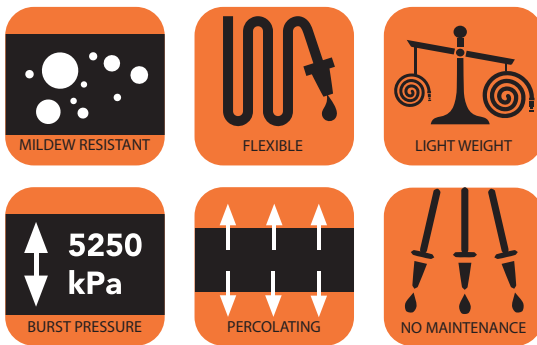

Percoflex percolating fire hose has been designed by Crusader Hose specifically for forestry and bush fire-fighting brigades. This technically-engineered woven hose with exposed warp yarns allows water to wick through to the fabric's exterior. The controlled, steady seepage allows maximum flow at the nozzle while keeping the hose wet and protecting it from burning embers.

Percoflex is woven from high-tenacity polyester yarn, making it lightweight yet strong. This makes the hose easy to carry and dependable when being dragged around the bush. This hose has a fused polyurethane lining, creating an inseparable bond with the textile reinforcement. Offered in standard 30 m lengths, up to 10 coils can be connected for mopping up at long distances from the pump.

Percoflex fire hose comes with a 12-month warranty against manufacturing faults.

FEATURES

- ✓ Controlled percolation
- ✓ Lightweight & compact
- ✓ Synthetic - no drying
- ✓ Other colours available
- ✓ Australian Made

TECHNICAL DATA

	25 mm	38 mm	41 mm	51 mm	64 mm
Diameter (ID)	1"	1.5"	1.6"	2"	2.5"
Working pressure	2100 kPa	2100 kPa	2100 kPa	2100 kPa	2100 kPa
Burst pressure	5250 kPa	5250 kPa	5250 kPa	5250 kPa	5250 kPa
Seepage @ 1500 kPa min/m	0.1 L	0.1 L	0.1 L	0.1 L	0.1 L
Weight/m	0.13 kg	0.15 kg	0.16 kg	0.27 kg	0.35 kg
30 m coil diameter	0.38 m	0.39 m	0.40 m	0.41 m	0.43 m
